Dr Friend.

The letter mailed by you to my wife at this place was received, on Friday last I was very sorry indeed to hear of your being sick in Galveston, and hope you may soon recover, do you anticipate making a visit to Calvert? I would like very much to see you. Times are quite dull here now scarcely any thing worth mentioning, I have just finished a long letter to Henry, —

I am now doing busines. for Lewis & Maddox, "Picking Books." but Mr Lewis has withdrawn from the house, and I shall withdraw, also the last of this month as Mr Maddox is very hard to get along with. as for Pleasing him it is almost out of the question. he has been sick for a long time, and he is very cross and disagreeable — I dont know what I shall do yet. Will have to hunt up — something else. Will as it is geting late I will close hoping that you have entirely recovered ~~by~~ ere this reaches you I remain as ever your Friend

Tom Taylor.
